

# random acts OF FLOWERS® ASHEVILLE

"June is the pearl of summer, shining with warmth and joy." - L.M. Montgomery

## Here is our Why!

We received this testimonial from a center we delivered flowers to:

"... I wanted to say thank you all for all the time and work that you put forth to brighten the day for others. I have had chemo, surgery, radiation followed by another last round of nearly 15 chemo treatments for the past 1.5 years and you all will never know how much I truly enjoyed seeing these flowers scattered around the facility. Your surprise delivery last week really touched a lot of us here at the center and I just wanted to share our experience. So, thank you for all that you do. I hope to be able to donate sometime in the future when I once again get to experience the brighter days when my treatments are over and hopefully in my rear-view mirror. I want to be able to pay it forward and brighten someone else's day as you did mine.
